

GE  
Energy Services

# 2007 Supplier Recognition **Bolttech**

## Outstanding Customer Service

imagination at work

Nominated by: GE Service Manager

Services provided: Induction heating and bolt tensioning services

Customer Success Story: From a GE Service Manager - "Bolttech has responded often on very short notice and have helped GE get out of many jams at our customer sites. They always arrive to site with the correct equipment and complete their work in a very timely, professional manner. I continue to be pleased with their services and highly recommend them!"

Thanks to Bolttech for their professional, responsive and overall outstanding customer service to GE.
